

The major goal of the **Future Teacher Club** is to assist high school students in exploring **teaching** as a career choice. I want the **Club** to provide an authentic understanding of **teaching** and – most importantly – encourage students from diverse backgrounds to think seriously about the **teaching** profession.

Advisor: Marie Brown

President: TBA

Description: To learn about becoming a teacher, schools and education.

When & Where: Monday's after school in room 122 from 2:30-3:30
